Longtime friends Lisa Goulder, Pete Elman and Michael DeWall have combined their talents to create a fun mix of originals and covers. Lisa, a pianist/vocalist/songwriter, has released solo albums and had her songs performed by many artists including Bobby McFerrin. Pete, a producer/writer veteran of the rock wars, contributes bass, piano and a wealth of experience.
Guitarist/vocalist/songwriter Michael spent his formative years in Argentina and brings a Latin feel to the group. With their rich harmonies and tasteful arrangements, their repertoire, drawn from pop, rock, Latin and jazz, is sure to delight everyone.
